Z5809 application examples

1.1 Intended use

Preliminary remark:

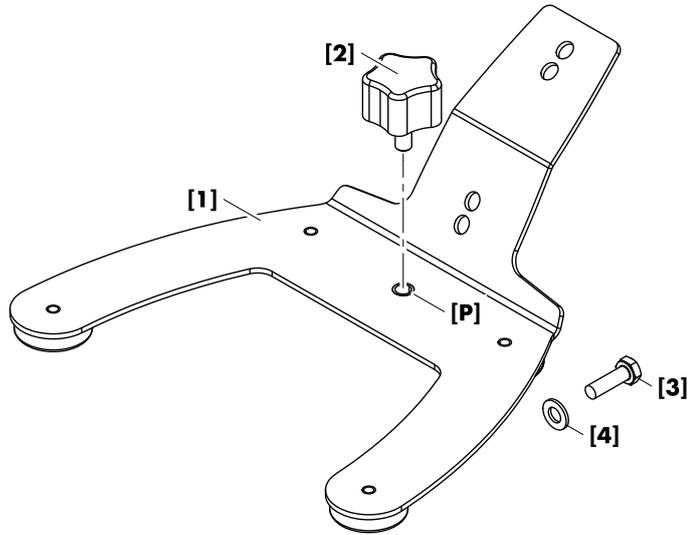

Throughout these mounting instructions, the application and assembly procedures are shown and described for the U5 loudspeaker as an example. The same application and assembly procedures also apply to the U3 as well as to the U3N and U5N loudspeakers.

The Z5809 Floor stand is intended for deploying a single U3 or U5 loudspeaker cabinet on the floor as stage monitor and must only be used as described in these mounting instructions.

1.2 Safety precautions

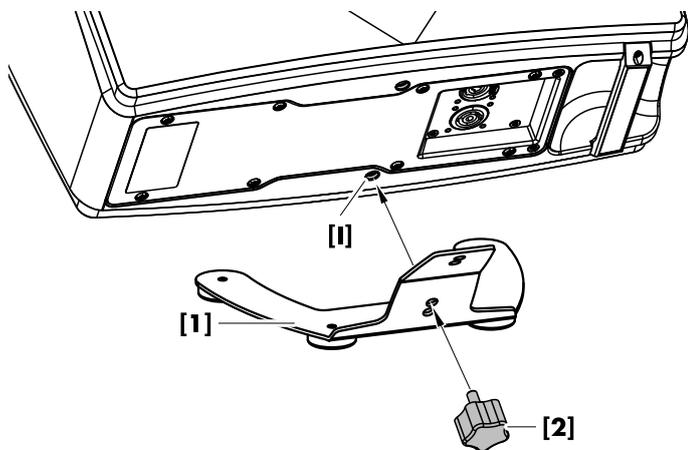

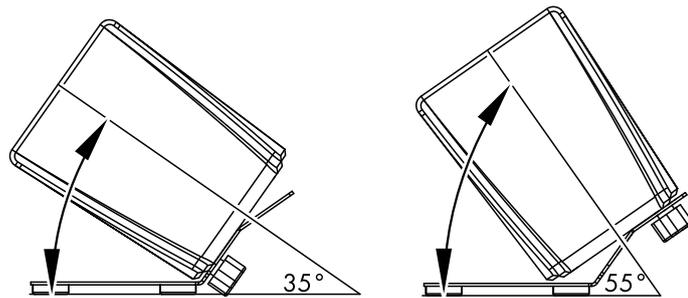

General safety

- Installation and setup should only be carried out by qualified and authorized personnel observing the valid national Rules for the Prevention of Accidents (RPA).
- It is the responsibility of the person installing the assembly to ensure that the suspension/fixing points are suitable for the intended use.
- Always carry out a visual and functional inspection of the items before use. In case there is any doubt as to the proper functioning and safety of the items, these must be withdrawn from use immediately.

Scope of supply

- [2] **Hand bolt:** Intended for mobile applications
- [3]/[4] **U-washer and hex head bolt:** Intended for fixed installations

1.3 Scope of supply and weights

Please verify the shipment for completeness and proper condition of the items.

[4]	2	Q5005.001.00	U-washer 8.4
	1	D2795.EN .01	Mounting instructions

Weight 1 kg (2.2 lb)

1.4 Mounting options and angle settings

The floor stand allows two fixed tilt angle settings: 35° and 55° (uptilt).

For this purpose, the rear connecting plate is equipped with dedicated holes which correspond to the related cabinet or angle, respectively.

1.5 Assembly

1. Based on the cabinet (U3/U3N or U5/U5N) and the desired tilt angle, choose the corresponding hole on the rear connecting plate (e.g. 35°).
2. With the cabinet aligned horizontally, connect the floor stand to the corresponding threaded insert [I] on the cabinet using the hand bolt [2].

2.1 Conformity of rigging components

This declaration applies to:

- **d&b Z5809** U-Series Floor stand

by d&b audiotechnik GmbH & Co. KG.

All product variants are included, provided they correspond to the original technical version and have not been subject to any later design or electromechanical modifications.

We herewith declare that said products are in conformity with the provisions of the respective directives including all applicable amendments.

Detailed and applicable declarations are available on request and can be ordered from d&b or downloaded from the d&b website at www.dbaudio.com.

WEEE-Reg.-Nr. DE: 13421928

2.2 Disposal

When out of use, the rigging components must be disposed of in accordance with the national environmental regulations.

Ensure that damaged rigging components are disposed of in a way that they cannot be used again.
